

King Philip's war is similar to what other colonial confrontation in its Indian-versus-English nature?

King Philip's war is similar to Bacon's rebellion in terms of its Indian-versus-English nature. As the name suggests, Bacon's rebellion was led by Nathaniel Bacon together with other Virginia settlers. Their rebellion was aimed to overthrow the rule of Governor William Berkeley. Among the factors that led to this rebellion is the colony's dismissive policies which prevented Bacon to continue his fur trade with the Indians.

Tourists were on a hiking trip for three days. On the first day, they hiked $\frac{1}{8}$ of the trail. On the second day they hiked $\frac{4}{7}$ of the remaining trail. On the third day they hiked $\frac{1}{3}$ of the remaining trail and the last 8 km. How many km is the whole trail?

To calibrate the x-axis for ^{14}C decay, you have to convert half-lives to number of years. Recall that ^{14}C has a single half-life of 5,730 years. How many years make up 5 half-lives for ^{14}C ? a. 3.13×10^{-2} years

b. 1,146 years

c. 5,730 years

d. 28,650 years
